The house occupied by this 10th lord in Dasāmsā indicates that which he shall do best. In the first house, he redefines rules.

Gandhi redefined the rules for politics and war for independence or political change.

Dhirubhai redefined many rules of Indian business. Partnering the common man through huge public issues, business supports politics but need not take sides; there is no limit to material

prosperity and goals are means to be broken!...

Marilyn was the inspiration behind Hugh Hefner's Playboy magazine which started in 1953 with her in the first edition during Jupiter daśā Saturn antardaśā.

The 8th house from the Karmesha (Lord of 10th house of D1 chart) is what one has to avoid. If Karmesha is in 3rd house, they should stay away from politicians (10th house) else ruin can follow. In general the houses in the 6th, 8th and 12th from karmesha shall always cause troubles while the 2nd is surely a māra.

Jayendra Saraswati, Marilyn Munroe and such people having Karmesha in 3rd house have burnt their fingers due to association with politicians.
